  3. AAU Non Athlete Membership #

Any BHS student coaching a team must have an adult over the age of twenty, with appropriate certification, at all practices.

3. A per player fee of \$25 per player (covered by the BYGB)

# Practice Scheduling and Team Development

BCSD has purchased new scheduling software. The calendar associated with this software will reflect blocks of time reserved for youth basketball practice. It will NOT reflect the scheduling of each individual youth team.

Team scheduling will be available to view online by using Google Sheets. This is the same system we have used for the past two years.

There will be unforeseen scheduling conflicts. All coaches must accept that **any BCSD sponsored event has priority**. We will do our best to avoid these conflicts, but make no guarantees.

During the Grade Level practices, it is expected that all girls will be coached equally. Coaches will not only focus on the girls they plan to coach in games.

Coaches are welcome to schedule additional practices for their individual teams.

Coaches/managers please email [bettendorfyouthbballpractice@gmail.com](mailto:bettendorfyouthbballpractice@gmail.com) to request additional practice times.

**If you have to cancel a practice please email [bettendorfyouthbballpractice@gmail.com](mailto:bettendorfyouthbballpractice@gmail.com) so that your time slot can be opened up.**

# Coaching Philosophy

## **3<sup>rd</sup>-4<sup>th</sup> Grade:**

- Fundamentals, Fundamentals, Fundamentals
- Focus on ball handling and basic defensive & offensive principles
  - Limited offensive set plays and out of bounds plays
- By the end of 4<sup>th</sup> grade, girls should be comfortable playing in games and understand basic basketball principles and rules

## **5<sup>th</sup>-6<sup>th</sup> Grade:**

- Continue to develop good habits (in practices & games)
- Look to expand into more in depth offensive and defensive strategies
  - Expand offensive set plays and out of bounds plays
  - Begin to look at where the best 'matchup' is to exploit offensively and defensively
- By the end of 6<sup>th</sup> grade, girls should understand a basic press offense and press defense

## **7<sup>th</sup>-8<sup>th</sup> Grade:**

- Supplement to Middle School teams
- Focus on teamwork and finding the appropriate 'matchup' on offense
- By the end of 8<sup>th</sup> grade, girls should be prepared to play freshman basketball and have a good grasp on the concepts and strategies that are being taught at the high school level.
